Ref:- From the B.D.O, Sullia, No. 273/54 d/ 25-11-'54

In the letter cited it is reported that the delay in claiming leave salary of Sri M.N. Sankaran Nair for the period from 1-12-'52 to 11-1-'53 is mainly due to the fact that the leave was sanctioned on 16-5-'53. There is nothing to indicate that the Junior Engineer ever took steps earlier

to represent his case to draw the leave salary.
Sri M.N. Sankaran Nair seems to have partly contributed
to the long delay. The B.D.O, Sullia is requested to
state why the usual 15% cut should not be imposed
on the arrear claim of the Junior Engineer.

REF: Memo No.7848/RDP/XII/54-2 dt.8-2-55

With reference to the Government Memo cited above I wish to submit the following:

I entered on leave on 13-12-1952 and was on leave till 17-2-53. I rejoined duty on 17-2-1953 A.N. on 26-3-53. I was called upon by the Divisional Engineer (H) Kozhikode to submit a leave application for the period from 9-1-1953 to 12-1-1953 since this period was not covered by the medical certificate. The same was submitted by me to the Divisional Engineer (H) Kozhikode. Since my leave had to be sanctioned by the Chief Engineer (Highways), it was sanctioned only on 16-5-53. But this proceedingswas not communicated to me till 13-19-53. Meanwhile on 12-4-54 I wrote a D.O. letter to the Rural Welfare Officer, Tellicherry to draw and disburse my pay from 1-12-52 to 13-12-52 during which period I was on duty. But the Rural Welfare Officer, Tellicherry did not draw and disburse my pay for the above period for reasons not known to me. However on getting personal information that my leave was sanctioned by the Chief Engineer (Highways) Madras on 16-5-53, I wrote to the Rural Welfare Officer, Tellicherry on 3-9-53 (copies submitted to the Collector of Malabar and Divisonal Engineer (Highways) Mangalore) requesting him to draw my pay and leave salary for the period from 1-12-1952 to 12-1-53. The Divisional Engineer with a copy of the Proceedings of the Chief Engineer(Highways) Madras sanctioning my leave stating that it is not possible for the Divisional Engineer to draw and disburse my pay and leave salary for the period since I entered on leave which I was working in the Rural Welfare Department. But the Rural Welfare Office Tellicherry in his reference L.Dis.518/53 dated 11-9-53 wrote to me that he could not claim my pay and leave salary since he had already despatched my L.P.C.to the Divisional Engineer(Highways) Mangalore. At that time I was working in the Rural Welfare Department under the Collector of South Kanara. Therefore on 29-9-53 I submitted a petition to the Collector of South Kanara stating all these facts requesting the Collector to draw and disburse my pay and/salary. I submitted a number of reminders to Collector on my above petition, but I have not received any reply till todate. Subsequently I got information from the Block Development Office, that since the claim is pending over one year, the bill has to be preaudited by the Accou-

ntant General, [illegible]

From the above facts it can be seen that the delay was not due to any regligence on my part.

The draft overleaf may be accepted subject, however, to the following remarks:-

Though it is stated that the delay in claiming leave salary for the period 1-12-52 to 11-3-53 was mainly due to the fact that the leave was sanctioned only in May 1953 there is nothing to indicate that the grant Engineer ever took steps earlier to represent his case & get the leave sanctioned & draw leave salary. In this view, he appears to have partly contributed to the long delay. Finance may therefore advise that 15% cut may be imposed on the arrears, if found due.
